Dear Janet, I would like to personally thank you for the wonderful huge care packages you sent. What a wonderful variety of gifts! The toys, stuffed animals, cereal, snacks, fitness bars, candy - books, crayons, just everything is so appreciated. The impact of your care packages is far-reaching - for not only our ICU Staff, but our corpsmen, hospital staff, our US soldiers, visitors, yes even the local children's school all benefit from your gifts.

Thank you again for your generosity. You have truly touched the lives here at our NATO Role 3 Hospital.

Best regards,

Myrna Mamaril
