EVENTS and NEWSLETTER

PRESIDENT'S MESSAGE:

Dear fellow Peri-Anesthesia Nurse,

Welcome to CAPANA CEU offerings for 2011-2012. I am honored to be a part of this great organization. With the help of our many colleagues we hope to make our programs this year interesting and beneficial. I would like to focus on this year as "The year for Certification." I challenge each of you to become informed of the new Standards of Care, as well as, new information on pain relief, medications, as well as article sharing and best practice changes. Each meeting I will have focus tips for those interested in becoming CAPA or CPAN certified nurses. Take the challenge to be the best you can be for our patients at the bedside. This is the year to be "Beacons of Change, focusing on the future," the theme for this year's 31st National Conference. I look forward to an inspiring and fun year with all of you.

Sincerely,

**Joyce Burke, RN, BSN, CPAN
