

CAPANA

We have our 1<sup>st</sup> meeting September 18<sup>th</sup>. We will be recognizing newly certified nurses. We have 3 great speakers lined up so far for September, October. And November: Dr. Dagan, speaking on anesthesia, pain management, and understanding the anesthesia record. We had him at our spring conference, and everyone loved him; Dr. O'Keefe, speaking on the TAVR procedure; and Dr. Deutsch, speaking on ENT procedures on pediatric patients.

We have set a date of March 21, 2020 for our spring conference.

Our board will be meeting soon to brainstorm on how to generate interest in being active in our organization. At present, we have no president or vice-president. Diane Thompson and I are trying to keep it together with the help of Debbie N, treasurer, and Stephanie L, our secretary.
