

CAPANA REPORT for OPANA May 9 2020

CAPANA has been inactive since mid-March.

We had almost finalized our Spring Workshop plans for March 21<sup>st</sup> ; but, of course, had to postpone indefinitely.

We had monthly meetings for April and May which also have been cancelled.

The board has decided to suspense all district activity at least until September. The board hopes to have a meeting in August.

Sharon Gallagher, Immediate Past President
