

## COPANA Report

There is not a lot to report from COPANA at this time. Central Ohio AORN has decided not to collaborate with COPANA for a winter conference since we cannot meet in person. We do have a COPANA board meeting scheduled for January 16 via ZOOM. We are going to try to have a couple speakers via ZOOM and offer 2 – 2.5 contact hours. This will be discussed at the next board meeting to determine speakers and date.
