

DAPANA District Report

January 2021

Meetings are held each November, February and April

DAPANA and AORN were able to have a successful joint meeting on November 17th, 2020. Individual boxed dinners were provided while social distancing was implemented. Cherrilyn Stati, MBS, BSN, RN spoke on Surgical Site Infection and Risk Reduction.

On February 6, 2021, DAPANA will be meeting and celebrating PANAW week. Our updated flyer has been sent to Debby Niehaus to be submitted to OPANA'S webpage. Details on how to RSVP for this meeting are noted on the flyer.

The DAPANA board will attempt to meet at some point to discuss our 2021 community service project with Ronald McDonald House that we typically do in March as well as a meeting agenda for the 2021 year.

Respectfully Submitted,
Tina Harvey, BSN, RN, CAPA, CPAN
DAPANA Secretary
