Quarterly meetings:

September

November

February

May

The State Spring meeting was planned by virtual meetings and held on May 8th with Zoom. The presentation is joint provided with ProMedica Health System and 4 CEs were granted. Presentations were given on malignant hyperthermia, Pediatric fever, and impact of surgery positioning on the post-operative patient. Approximately 40 people attended the conference-members, non-members and retired nurses. Raffle tickets sold pre conference for an Amazon gift card with proceeds going to the Victory Center. NOPANA and OPANA matched the raffle ticket sales and \$750 was donated to the Victory Center. The Victory Center is a local nonprofit organization that provides support to cancer patients and survivors. All the services it offers are free to the cancer patient.

Planning on an in person meeting in September. Speaker will present on CBD products. Contact hours will be available.

Preop staff across the region are providing IV start training to RN residents. There were 5 perioperative nurses were preceptors for Senior student nurses from local universities for spring semester.
