

Nominating Report:

Iris Marcentile would like to continue being our secretary.

Treasurer Bonita Woodin will be serving her last year as Treasurer. It is prudent to be thinking about potential candidates this year. It comes with high responsibilities. Bonita has done a great job making the bookkeeping of membership money easier to do. I do not think Bonita will mind being contacted if anyone wants more information about this role.

There is one person interested in the Vice President position for 2023-2025.

Thank you, Beth Cooper
