Redi-Ref for Perianesthesia Practices, 2015 edition

The *2015 Redi-Ref for Perianesthesia Practices, 5th Edition*, is a pocket-sized reference book--or USB flash drive in .pdf--for nurses practicing in all phases of preanesthesia and postanesthesia care, ambulatory surgery, and pain management.

Compact and handy for reference at the bedside, this new edition has been updated by clinically expert ASPAN nurses who have incorporated the latest information and references. The publication has expanded sections on anesthesia, geriatrics, pediatrics, and culturally diverse care, along with a new section on special procedures and interventional radiology.
