

OPANA SNOOZE NEWS REPORT

Thanks to all who contributed to the last edition.

Next deadline – January 1, 2022

I would like to include highlights from Fall Seminar, and CDI as well as our normal President's Report, Dr. Asher's article, Region 3 director report, and Governmental affairs report. I am also looking for any articles from your districts highlighting our OPANA members. Please share any good news or memories.

Sally Swartzlander BSN, RN, CAPA
