CAPANA EVENTS AND NEWLETTER

SEPTEMBER 2012

A Note from the President:

Welcome to another exciting year of CAPANA. As your new president, I am finishing up on our speakers for the upcoming year. I want to thank those of you for assisting me with this and offering to have some meetings at your facilities. Our first meeting will be on Wednesday, September 18 at Christ Hospital. Dr. Janice Rafferty, a colo-rectal surgeon, will be speaking on the staged surgery for ulcerative colitis and rectal cancer. October is the combined meeting with the OR. The fall conference in Columbus is on Saturday, OCT.13 at Mt. Carmel East. You may visit the OPANA website at www.ohiopana.org for workshop information. There will be a board meeting prior to this on Friday evening. Anyone may attend a board meeting if they would like to find out more about what is going on in OPANA. It is never too early to consider going to the ASPAN National Conference. It will be in Chicago in April, 2013.

The next time you renew your ASPAN membership, you will notice the dues went up \$5.00. \$2.00 of this is for ASPAN. \$3.00 is for a new service that will be available to members called the Joanna Briggs Institute Data Base. It is an information website.

Lastly, I would like to recognize some members who have recently received their certifications:

June Pierce CPAN
